FURNITURE DELIVERY TERMS

Our delivery men will call you in the morning between 8:00 and 9:00 a.m. to get directions and to give you an estimated time of delivery.

You must be home or have someone at home the day of your scheduled delivery.

Please give all phone numbers at time of sale so that you can be reached for your delivery. (Home/work/cell phones.) Be sure you have given complete directions from a main road to your house.

Please have space ready for placement of your new furniture. You are responsible for moving out old furniture (unless arrangements have been made before delivery). There is a fee for us to remove your old furniture.

Will our delivery truck have any problem getting into your driveway or backing up to your house? If so, let us know in advance where we can park our delivery truck.

Please measure the space for the new item and be sure it will fit. Measure doorways, halls and stairs to make sure we are able to place your new furniture without damage to your home or to your new furniture.

Remove pictures, mirrors, and other items from walls if your new furniture is going down a hallway, up stairs, or in a tight space where we might accidentally knock a picture off a wall.

Our delivery staff will deliver only items listed on the delivery slip. To perform unlisted tasks may interfere with the store's delivery schedule. If you request help moving additional items in your home, a gratuity is always appreciated.

Thank you for shopping with DiSiena Furniture!
